MEMORANDUM FOR THE RECORD

SUBJECT: Phone Call from ABC-TV New York

1. On 29 December Gregory Shuker, a producer from ABC-TV's Drew Associates Unit (formerly TIME-LIFE films), phoned from New York to ask if we could be of any help in an hour-long documentary he plans to do on Chinese Communist worldwide subversion. He and the ABC correspondent in Saigon, he told me, had discussed the importance of this threat when they were in New York for a panel discussion last week.

2. Shuker said he had since discussed this with Jay Sourwine, chief counsel of the Senate Special Subcommittee on Internal Security, who recommended that he contact us. He has also discussed the project with Roy Rowen of LIFE, who did the recent piece on CPR defector Tung Chi-ping from Burundi.

3. I told him that I would call him back on 5 January if we could be of any help.
